- DINNER -

Do you remember a time when there were restaurants without "BS" split charges, 18% gratuity added or ridiculous statements like "I'm sorry that's our policy?" Welcome to **Kenny's East Coast Pizza**. A restaurant reminiscent of the way things used to be. A place where we make it our policy to have no policy! Thank you very much for coming, we really appreciate it! If there is absolutely anything we can do to make your experience more enjoyable, please let us know.

John Benton is our Managing Partner and is here most of the time. Bob is usually at the office (because Bob's the smart one), Mike is in one of our dining rooms and I'm in one of our kitchens. We would all love to meet you when we are here! Have a wonderful time and remember, at Kenny's Restaurants . . .
